

The transmission of the radio broadcast of K-LOVE is an uplifting and important service to me as a resident of Tucson, Arizona. It would be a tragedy if K-LOVE were displaced by an LPFM broadcaster providing other programming, because I believe more crime would ensue, due to the absence of God's loving message spread so easily over the air-waves. K-LOVE provides a service which is definitely in the public interest, by encouraging a positive approach in life and inspiring goodness, even subconsciously, by playing music which is not hate-based and violent.
